

FOR IMMEDIATE RELEASE

**McMahon DeGulis LLP and two partners  
rank among top in Ohio by Chambers USA**

June, 2007; CLEVELAND, OH -- *Chambers USA: America's Leading Lawyers for Business* (2007 Edition) recently recognized **McMahon DeGulis LLP** as well as partners **Michael McMahon** and **David Nash** as among the top in their field. This is the fourth year that the Cleveland-based environmental firm received the prestigious ranking and the fourth year for Michael McMahon and David Nash to be recognized.

The current *Chambers USA Guide* notes that McMahon DeGulis "is made up of 'a powerful collection of attorneys' who deal with regulatory and enforcement issues as well as transactions and litigation."

The guide further states: "There is 'no question' that Michael McMahon is a 'class act.' Lawyers who have been against him admitted: 'He inspires nothing but admiration.'" David Nash "has gone a long way to boosting the firm's practice."

London-based Chambers & Partners publishes *Chambers USA: America's Leading Lawyers for Business* as well as a U.K. edition and several other legal directories and publications. To determine the rankings, a team of 40 researchers conducted more than 10,000 interviews with clients and attorneys, assessing technical legal ability, professional conduct, client service, commercial awareness/astuteness, diligence, commitment, and other qualities most valued by the client.

**About McMahon DeGulis LLP**

Established in 1994, McMahon DeGulis LLP is one of Ohio's leading law firms providing quality environmental counseling and litigation services. The firm's 11 experienced attorneys represent corporations and organizations across the country and have offices in Cleveland and Columbus. McMahon DeGulis is listed on the 2005 Weatherhead 100 list of the region's most energetic, growing and innovative entrepreneurial businesses. As a founding member of the Environmental Law Network ([www.elnonline.com](http://www.elnonline.com)), McMahon DeGulis offers the advantages of being associated with larger firm practices by providing access to environmental lawyers across the country.
