

FOR IMMEDIATE RELEASE

**McMahon DeGulis named to Weatherhead 100 list**  
***Environmental boutique firm among the fastest growing companies in Northeast Ohio***

January 16, 2006; Cleveland, Ohio – **McMahon DeGulis LLP** announced that the Cleveland law firm was named to the prestigious Weatherhead 100 list of the region's most energetic, growing and innovative entrepreneurial businesses.

Established in 1994, McMahon DeGulis LLP is one of region's leading law firms providing top quality environmental counseling and litigation services. The firm has grown to be Ohio's largest environmental law and toxic tort boutique.

The Weatherhead 100 identifies and honors the 100 fastest growing companies in Northeast Ohio based on sales from 2000 through 2004. They are companies that have had the highest percentages of sustained growth over the past five years, significant increases in the number of employees during that period, and a net increase in sales from 2004 to 2005. These companies best represent the Cleveland entrepreneurial spirit and serve as examples of successful businesses.

The firm's 12 experienced attorneys represent corporations and organizations across the country. As a founding member of the Environmental Law Network ([www.elnonline.com](http://www.elnonline.com)), McMahon DeGulis offers the advantages of being associated with larger firm practices by providing access to environmental lawyers across the country. The firm is headquartered in the Caxton Building in downtown's Historic Gateway Neighborhood.
